Space and seating

FeelPlay takes place in a large circular area.

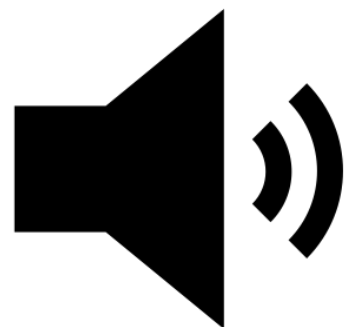

The performance is for 20 audience members at a time.

The performance involves standing and walking. We have a limited number of folding chairs available - if you would like a chair speak to a member of staff.

Interaction

FeelPlay is interactive. The actors talk directly to the audience and you can respond however you like. If you prefer not to interact that's also fine too.

Sound

There is quiet background music playing throughout.

Announcements are made with a microphone at the start of the show.

The fans for the inflatables make an ongoing, low-level noise throughout the show.
